#### Approval of the December 18, 2023 meeting minutes:

John Hammond made the motion to approve the minutes.

Judy Wilson said on the last page under her council report. It should say that she is still collecting names for the petition to fix the on and off ramps in both directions for the Bloomfield exits.

Laura Barnett said she feels like too much information was provided in the public comments pertaining to Scott Stevenson. Mayor Dudgeon replied, Laura at the October 16<sup>th</sup> council meeting you accused me of being too bias and that I was not providing enough information especially when it came to public comments, and now you are saying it is too much information. Mayor Dudgeon went on to say I do not understand what it is you want. John Hammond shared that you must be detailed in minutes or it can start becoming bias. Judy Wilson said, she remembered at the December meeting she agreed with Laura about not supporting all city events. Sometimes things come up and we just cannot attend every event. Scott Stevenson said, what it boils down to is that Pam got butt hurt over me not attending the Christmas Parade here in Bloomfield. I was out of town then. The next weekend I attended the Bardstown Parade because my employer from my side gig asked me to help him out. The council decided to let the original motion die.
